

To whom it may concern

The LSH 20 cells are produced only by Saft in the factory of Poitiers (France).
LSH 20 is a brandname licensed by Saft (France).
All other cells called LSH20 are counterfeit and not legal.

Levallois-Perret, February 8th 2019

Best regards,

A handwritten signature in blue ink, appearing to read "Olivier Goujon". The signature is stylized with a large, sweeping flourish at the end.

Olivier Goujon
Export Manager
